

STUDY PROGRAMS

- **Electrotechnics**
- **Informatics**
- **Cybernetics**

Master study

- Biomedical Engineering
- Communication and Information Technologies
- Control Engineering
- Electrooptics
- Electrical and Electronics Engineering
- Multimedia Technologies

- Biomedical Engineering
- Multimedia Engineering
- Photonics
- Power Electronic Systems **(DOUBLE DEGREE-Catania)**
- Process Control
- Telecommunication and Radiocommunication Engineering

Ph.D. study

- Electrotechnologies and Materials
- Process Control
- Power Electrical Engineering
- Telecommunications
- Theory of Electrical Engineering

Bachelor study
